

Update - Fall 2016

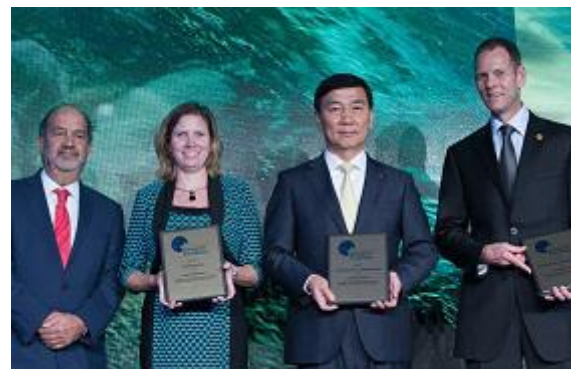

CEM Welcomes Chile as Newest Member

The Clean Energy Ministerial (CEM) recently welcomed Chile as its newest member. Over the past decade, Chile has set ambitious goals to encourage the development and deployment of clean energy. Even before becoming a member, Chile was actively participating in two CEM initiatives. Photo credit: Flickr/Victor San Martin. [**Learn more about Chile's clean energy leadership.**](#)

Clean Energy Ministerial Releases CEM7 Roundtables Summary
